Where standing as a local light hat of the bar is widely because.

whose standing as a legal light before the bar is widely known.

Judge John P. Work was born at Woodville, Tyler county, Texas, February 16, 1856; having his disabilities as a minor removed, he was admitted to practice law at a term of the district court of Hardin county during the spring of 1876, where he has practiced actively ever since, with the exception of three years, which he spent at Brownwood. He was appointed district and county clerk of Hardin county in 1877 and was elected to the same office a year later; was elected county judge in 1900 and was re-elected to the same office during the present year by the unanimous vote of the people, which office he filled with distinct tion and gave such general satisfact on that the citizens of the county believed that though he was a little post middle ago, that he was just at the beginning of a career that would have proved a remarkable one had he lived. He was a Scottish Rite Mason of thirty second degree, an Odd Fellow, Knight of Hoper and Woodman of the World

Judge Work was a man of irrepreachable character, attention to business, of a modest, retiring disposition, and he won the hearts of all.

January 1 all non-resident taxpayers in organized counties in the State must pay the tax to the tax collector in the respective counties where such property may be located. Prior to the first of this month non-resident taxpayers could remit for the taxes to the comptroller direct, but after the lat the law provides that the taxes shall be paid to the tax collector.
